MONUMENTAL PROJECT

Pacificblue, the main contractor overseeing the monumental project in Muscat, Oman, is spearheading the construction of the tallest structure in the country for the first time. A towering Flagpole standing at an impressive height of 126 meters. Alongside this feat, the project integrates a beautifully designed park enveloping the flagpole, enhancing the overall aesthetic appeal of the surroundings. With a projected timeline of one year, the project is scheduled to be completed by October 1st, 2024, marking a significant milestone in Oman's architectural landscape.
